Key

assign line #s	There are assignments on these lines.
copy prev?	The assignment requires you to copy part of all of your solution from these previous assignments.
tplt lines	There are this many lines in the template.
soln lines	There are this many lines in the solution. (Your mileage may vary.)
soln-tplt diffs	There are this many more lines in the solution than in the template. This is roughly the number of lines you need to add to complete the assignment.
lecture order	This is the recommended order for presenting (or completing) this assignment.
